

PLACEHOLDER - NOT A RESUME

This file is a stand-in. The real resume has not been added yet.

It lives at /edwin-lara-resume-2026.pdf so the links and the download buttons have somewhere valid to point in the meantime.

If you are reading this on the live site, something shipped early.

Nothing in this file is Edwin Lara's resume. Please ask him for the current one rather than treating this as his background.
